Excerpt: . yet never quite a seaman among philosophers. A learned navigator in theory, he was so poor a sailor that, in an important cruise against the English, he forgot to open his letter of instructions until too late, and so let the Briton escape. By report, and in truth, the most amiable of men, he transformed himself, in New Orleans, into one of Lope de Vega s magnificos--and sulked. Of course, such a man must go wrong at the outset. His first act in Louisiana was a defiance to the colonial mind, if not to France. The official character of the Superior Council had been indirectly recognized by Ulloa himself in his letter from Havana announcing his appointment. On his arrival, after a proper delay, he was respectfully requested by the Council to show his authority to act. What did not seem logical after his Havana letter was a point blank refusal to do so. He went farther. He denied altogether the right of the Superior Council, as a civil tribunal, to call him to account. He had to deal, he declared stiffly, with Gov. Aubry alone--whom, from Havana, he had not condescended to know. The Superior Council bolted this Ulloa pill with a grimace. Unconscious of the storm he had raised, Ulloa placidly visited the Natchitoches and the outlying settlements, to deserve the thanks of a statisticalloving posterity by his census of 1766. On his return he continued to put to the colony, with...
