

Essential Guide to Drawing - Perspective Evam Composition

By Barrington Barber

Unicorn Books, 2015. Paperback. Book Condition: New. Perspective is key to making your artworks look convincing and three-dimensional, yet it can be a daunting prospect for artists. This handy guide sets out the rules of perspective clearly and simply, using demonstrations and step-by-step exercises. You will learn how the same perspective rules underpin compositions of all types, from panoramic landscapes to urban scenes, interiors, simple objects and human figures.

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
