I. B. Tauris, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "A rare example of informed, forensic enquiry. a well informed antidote to the overdose of repeated half-truths and non-truths that often pass for analysis of Chinese politics. The New Emperors is an essential read." - Isobel Hilton, Observer "Kerry Brown's account of China's power elite is sweeping, topical and accessible, and a most valuable addition to our knowledge of the rising superpower." - Jonathan Fenby, author of Tiger Head, Snake Tails and The Penguin History of Modern China "Kerry Brown's book is a must read for anyone who has genuine interest or need to understand those complexities, which given how important the country is becoming to the world, means the other 5 billion plus of us that don't live there." - Jim O'Neill, Former Chairman of Goldman Sachs "In his indispensable study of China's present leaders, Kerry Brown. does more than touch the backsides of a tiny group of tigers, the seven newest members of the Politburo's Standing Committee who rule China: he skins them alive." - Jonathan Mirsky, Times Higher Education "Brown provides a great introduction to the world of elite Chinese politics and the men - they are all men - who inhabit its upper reaches." - Jamil Anderlini, Financial Times.
