Washington County Revisited (Paperback)

By Donna Akers Warmuth

Arcadia Publishing (SC), United States, 2008. Paperback. Book Condition: New. 229 x 160 mm. Language: English . Brand New Book. A companion to Images of America: Washington County, this book, Washington County Revisited, depicts more of the area's rich history. In an attempt to thoroughly cover this county in Virginia, Washington County Revisited explores the history of settlements that were once major community centers, including Lodi, Blackwell's Chapel, Rich Valley, Lindell, Bethel, Taylor's Valley, Hayter's Gap, Clinchburg, and Alvarado. Learn even more of the fascinating history surrounding the railroad towns of Damascus, Glade Spring, and Meadowview. Officially formed in 1776 from Fincastle County, the county was named for Gen. George Washington, who was then serving as commander in chief of the Continental Army. Washington County holds the distinction of being the first geographical region to be named for the first U.S. president. With more than 200 images, Washington County Revisited provides a unique visit to this rural region that once served as a gateway to the West along the Great Wagon Road and saw thousands of settlers and goods pass through to uncharted lands.

Reviews

Absolutely among the best book We have ever study. It is actually writter in easy words instead of hard to understand. I found out this publication from my i and dad encouraged this book to find out.

-- **Kristina Rippin**

This written publication is fantastic. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of your respective time (that's what catalogues are for concerning should you ask me).
