THE SOUTH AFRICA READER: HISTORY, CULTURE, POLITICS

DOWNLOAD

Duke University Press. Paperback. Book Condition: New. Paperback. 672 pages. The South Africa Reader is an extraordinarily rich guide to the history, cultures, and politics of South Africa. With more than eighty absorbing selections, the Reader provides many perspectives on the countrys diverse peoples, its first two decades as a democracy, and the forces that have shaped its history and continue to pose challenges to its future, particularly violence, inequality, and racial discrimination. Among the selections are folk tales passed down through the centuries, statements by seventeenth-century Dutch colonists, the songs of mine workers, a widows testimony before the Truth and Reconciliation Commission, and a photo essay featuring the acclaimed work of Santu Mofekeng. Cartoons, songs, and fiction are juxtaposed with iconic documents, such as the The Freedom Charter adopted in 1955 by the African National Congress and its allies and Nelson Mandelas Statement from the Dock in 1964. A cacophony of voices of slaves and indentured workers, African chiefs and kings, presidents and revolutionaries invite the reader into ongoing debates about South Africas past and present and what, exactly, it means to be South African. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
