What is this book, **The Rogue s March**, about? We can tell you in a few words. Nay, make no grievous error: what we have heretofore lived by, we can live by no longer, historically speaking. We built for ourselves a beautiful Garden of Lies and called it our Garden of Eden. And we read and believed our pig-trough history, wherein we were representing ourselves as an angel with a revolver in our hand; and we learned to look on it as something good, to go by, and to live by. Men talk of writing history or biography as tho this were some profound record attainable only thru yearlong researches by students all but going blind in dust-laden National archives. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
