COGNITIVE REMEDIATION FOR BRAIN INJURY AND NEUROLOGICAL ILLNESS (HARDBACK)

Springer-Verlag New York Inc., United States, 2011. Hardback. Book Condition: New. 2012. 236 x 155 mm. Language: English . Brand New Book. The purpose of this book is to teach psychologists with a neuropsychology background about cognitive remediation, the evidence in the research literature, and how to develop and conduct a treatment plan and evaluate the effectiveness of the interventions. The approach is illustrated using the computer-assisted cognitive remediation program developed by the author (NeurXercise). Twenty-nine different cases are presented...

Reviews

These sorts of book is the greatest book offered. This can be for all those who statte that there had not been a really worth reading. I am just quickly could get a pleasure of reading a written ebook.

-- **Verner Goyette DDS**

Definitely one of the better ebook I have possibly read through. It usually will not charge excessive. You wont feel monotony at anytime of your own time (that's what catalogues are for regarding if you check with me).

-- **Prof. Jean Dare**

It in a of the most popular publication. It is actually rally intriguing through looking at time period. Your daily life span is going to be change the instant you total reading this publication.
