Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Echo Library. Paperback. Book Condition: New. This item is printed on demand. Paperback. 148 pages. from the INTRODUCTION: I was advised on all hands not to write this book, and some English friends who have read it urge me not to publish it. You will be accused of selecting the subject, they say, because sexual viciousness appeals to you, and your method of treatment lays you open to attack. You criticise and condemn the English conception of justice, and English legal methods: you even question the impartiality of English judges, and throw an unpleasant light on English juries and the English public-all of which is not only unpopular but will convince the unthinking that you are a presumptuous, or at least an outlandish, person with too good a conceit of himself and altogether too free a tongue. But the motives driving me are too strong for such personal considerations. I might say with the Latin: Non me tua fervida terrent, Dicta, ferox: Di me terrent, et Jupiter hostis. Even this would be only a part of the truth. Youth it seems to me should always be prudent, for youth has much to lose: but I am come to that time of life when a man can afford to be bold, may even dare to be himself and write the best in him, heedless of knaves and fools or of anything this world may do. The voyage for me is almost over: I am in sight of port: like a good shipman, I have already sent down the lofty spars and housed the captious canvas in preparation for the long...
