U.K / Pen & Sword-Leo Cooper, 2002. Soft cover. Book Condition: New. No Jacket. The story of the ships of Nelson's navy and, more especially, of their sailors and a naval glory 'built up by the blood and agony of thousands of barbarously maltreated men'. From beginning to end, from the floor of the mould-loft where the master shipwrights drew up the plans of their ships, through to the epilogue, a poetic eulogy for sailors long dead and gone, Masfield breathes life into the bare facts of life on board for the men and officers: the duties of each man, the unwholesome food, the cramped and filthy living quarters, the inhuman punishments, the 'floating hell' of a ship in action and the pitifully primitive hospital facilities. With illustrations through out. A 1st edition paperback (in this format) in new condition. (192 pages). Originally published in 1905.
